RE: AD HOC COMMITTEE FOR A

MARXIST-LENINIST PARTY, USA (AHC) (S)

100-442715

Every effort should be made by Chicago to insure (AHC informants) arrange for Frank to attend a closed meeting of the (AHC Executive Committee) while she is in Chicago. This closed meeting should be held at a secure location and preferably at the residence of an (AHC informant or informants) (S) with the objective of encouraging Frank to discuss matters of intelligence interest. For the same reason, it is strongly desired that arrangements be made (by AHC informants) (S) for Frank to reside at the residence of (one or several informants) (S) during her visit to Chicago. When preliminary arrangements have been cleared for both (the AHC) sponsored forum and the closed (AHC Executive Committee) (S) Frank may be consulted for confirmation by either telephone or letter. The Bureau should be furnished the text of the communication and the response of Frank. (X)

The Bureau must be advised of pertinent developments and any necessary additional recommendations by the most expeditious means warranted. (Chicago take all possible precautions in this endeavor to protect the security of the (AHC operation) and participating informants. (S) (X)
